

LEIPA Sky

LEIPA Sky features a special optic and haptic presentation. Its finely structured matt surface and tangible volume combine in perfect symbiosis to make any publication stand out from the crowd.

Characteristics

- » Tangible haptic volume and high opacity
- » Improved print image through coated surface
- » Rough surface provides heightened haptic experience

Key Benefits

- » Blue Angel certified: The demanding environmental certificate from Germany
- » Available as reel or sheet

Typical Applications

- » Corporate customer magazines
- » Cooking books
- » Puzzles
- » Brochures

Properties	Unit	Standard	Target Figures					Tolerances
